We have done the approval this is the final adoption of the budget. I will go by line item again. Everything pretty much remained the same from our approval. The new ac unit will be going for next year; now dealing with Suburban Propane, we contacted them they are now getting with AmeriGas. They will take care of all the tanks we currently have going from \$3.14 to \$0.84 gallon. Fuel for the year now is \$20,000, no installation charge and will handle everything. (line item continued). Insurance down from original since I signed an agreement last year to keep the premium the same for the next two years, this is the final year of the guarantee premium (\$36, 600). (Line item continued). We might have a situation with the lot next door, so I had to increase by \$1,500. Total Budget \$1,291,576.00 – Total Collected Budget - \$1,282,635.00 Total Taxable Acres 1,710.18 ÷ 1, 282,635.00 = \$750.00/acre.
