Re: City of Plantation Council Meeting

In response to comments made at the October 6, 2021, City of Plantation Council Meeting regarding the Reflections In The Acres Development, please note that Plantation Acres Improvement District ("PAID"), pursuant to its Charter, only approved the paving and drainage plans and the plat for the proposed Reflections In The Acres Development.

PAID's approval was in accordance with its Charter.

The City of Plantation is responsible for all land use, zoning, and density decisions related to the Reflections In The Acres Development, and any other development within PAID's jurisdiction. PAID plays no role in establishing the land use, zoning, or density of any proposed development.
